Diversity Scholarship Program for Employees and Prospective Graduates

MHP (located in Muskegon, Michigan) is pleased to announce the Diversity Scholarship Program for students entering Nursing, Therapy, Vascular and Radiology careers. This program provides funds to qualified students for the final 1-2 years of school. A service commitment is required after the probationary period is completed based on the scholarship awarded.

Per school calendar year, 1 Term/Quarter/Semester equals 6 months commitment.

Per school calendar year, 2 Terms/Quarters/Semesters or greater equals 1-year commitment.

A 1-year scholarship equals a 1-year commitment.

A 2-year scholarship equals a 2-year commitment.

MHP will award two-year scholarships in Nursing, Therapy, Radiology and Vascular Technology.

Applicants must meet the following criteria to be considered:

- Complete, sign, and submit the Scholarship Program Application and Personal Statement
- A GPA of 3.0 overall for the last two years (on a 4.0 scale) is preferred
- Provide official documentation regarding tuition payments for last year of school
- Provide two Clinical Instructor Recommendations
- Interview with, and be selected by, the Scholarship Committee
- MHP reserves the right to award these scholarships at it's discretion
