## Electronic Health Information: How Will IT Enhance Your Practice?

**Jane Foster, MS, BSN, RN**  
**Clinical Director - Quality Health Network**

### Sponsored By:

**Capital Area Health Alliance**

**Capital Area Community Nursing Network**

**Capital Area Regional Health Information Organization**

**Lansing Community College**

**Michigan State University College of Nursing**

**Michigan Center for Nursing**

**Michigan League for Nursing**

Michigan State University College of Nursing (OH-294, 08/14/09) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.  
**5.8 nursing continuing education contact hours will be provided.**

CCM Commission for Case Manager Certification - Contact hours for continuing education have been applied for through the Commission for Case Manager Certification.

Technology is becoming more and more an integral part of the work of nurses and other health care professionals. Accurate and timely health information at the point of service is essential to ensure safe, high quality care. Join colleagues and learn from national experts how the electronic exchange of health information can enhance clinical care and how it affects the roles of health care professionals.

The keynote speaker Jane Foster, MS, BSN, RN is the Clinical Director for Quality Health Network in Grand Junction CO, one of the nation's leading health information exchanges. She is an expert in educating clinicians about new electronic workflow processes which lead to practice improvements. Ms Foster is a role model of what can be accomplished with collaboration, persistence and a commitment to excellence.
